

Welcome to Chairs' Corner for July

What a fantastic result at the weekend at the Wandsworths - way to go, Leander! You all excelled yourselves and team spirit was in abundance. Thank you, we are very proud!

Don't forget to turn up to the parents' evenings over the next few weeks. We are holding these as a trial, and if they are not well attended we won't run them again. It is a brief opportunity to meet your squad's coach and have an update on your child's progress.

The London Mini and Youth games are being held this week - several of our swimmers are representing their borough, so good luck and once again bring home some PBs.

We would also like to remind you about the Leander Annual BBQ held at JAGS on Saturday 10th July from 5pm - 9pm. It's lots of fun and is a great opportunity to meet other parents and swimmers. We will be selling tickets at the parents' evenings.

This will be the last Chairs' Corner until the start of the new season. The final training session is July 25th, and all squads except Performance start swimming again in the week of August 31st. Have a great holiday and make sure you get plenty of rest and relaxation before we start all over again in the autumn.

Our Nationals qualifiers won't have quite so much rest as they take on the best in the country at the Age Group and Youth Nationals over the summer. We'd like to wish Ross, Julian and Kane the best of luck and will keep you updated with their progress.

Finally, we realise that it's been a difficult year with many changes and a lot of upheaval, but we now feel we have a strong team of coaches who are dedicated to getting the best out of our swimmers. Let's inject some positivity and enthusiasm into our children so they come back with renewed confidence that they can achieve their goals.

See you all in September

Sam and Jacqui
