

Welcome to Chairs' Corner for March.

Time is ticking by and it's March already, and that means Galas are coming in thick and fast. So don't forget to get your entry forms filled in and sent off - check your deadlines, check your times and swim as fast as you can!

We have had some fantastic swims at the Surreys so far. Medals, PBs and a few DQs but hey, that's life! If you never get DQ'd you won't know what it feels like, but for those of you that have, we bet you'll try very hard not to get DQ'd again!

Platinum and Junior Platinum were lucky enough to meet former Olympic swimmer Adrian Turner, who came along to a Thursday session at Tooting to give some inspirational mentoring. The swimmers were really enthusiastic and we hope he will come back to see us on a more regular basis.

Thanks to everyone for being so patient about our pool space. Fingers crossed, Ernest Bevin will be back after Easter with an extra session added so that will help enormously. We're hoping we can get to the bottom of the problems at St Joseph's pool very soon too.

And finally, **please** be very careful on poolside and when getting in and out of the pool. It's very easy to slip and this week one poor swimmer had a nasty accident. We wish her well and would like to thank everyone who rallied round to help.

Good luck with the last few weeks of the Surreys - and see you all in April

Best wishes

Sam and Jacqui
